A note from Captain Christensen in our Operations Division: Please contact him directly with any questions or concerns.

- The speed trailers are being serviced this week and should be deployed mid-April (unless there is a significant change in weather).
- Construction Season has started with several major projects already started with more to come for this spring/summer. We will be patrolling and monitoring construction zones.
- If a Township official would like to ask for directed patrol for traffic related issues they may call the traffic Sergeant, Craig Schmaltz, directly at 383-8784 (not for general public). The general public can call the general Sheriff's Office number and follow the prompts to ask for directed patrol.
- Severe Weather season is quickly approaching. The Office of Emergency Management is prepared to respond 24/7 if we have a weather event that causes extensive damage.
- We have three new deputies that completed the field training program in March and are now on patrol.
